

## **MUSIC REPORT TERM 3**

### **For September P&C Meeting**

Unfortunately, the parents of music students have not met this term. We are planning a meeting early in Term 4 with Sue Underhill, Fons Harthog and our new String Teacher. (Nadine Dinnis has commenced maternity leave and a supply teacher is currently being arranged.)

The following items will be on the agenda:

- **GRIPPS**
- **Guest Conductor for String Ensembles**  
Prize money from the Senior Ensembles placing at the Queensland Youth Music Awards has been set aside for a Guest Conductor.
- **Communication :**  
Group lists have been compiled and data is currently being checked. This information will be used to generate email groups but will also include the same information collated for class lists. For some time there has been an interest in formulating a Phone Tree in order that late information and reminders can be distributed quickly. This is not a straight forward task given the number of people involved but letters have been drafted and hopefully will be sent home early next term.
- **Music Uniforms**  
We will continue to look at ways to encourage adherence to the music uniform for performances. We will also continue to discuss the suggestion of long trousers rather than skorts or shorts.
- **Kaleidoscope**  
The date for Kaleidoscope (our next major music concert) was set earlier in the year for November 12. Sue Underhill is booking the hall (hopefully Ashgrove Baptist Church) and planning will get underway at our next meeting.
- **Musical Moments Newsletter**  
The next edition of the newsletter will be reviewed at our meeting for it to be distributed early in term 4. The newsletter will include an article on the GRIPPS programme being held last week of Term 3.
