P&C Sub-Committee / Major Activity Report

Sub-Committee Name: Tuckshop	Your Name: Lois Aittola	Date: 12/10/08
--	-----------------------------------	--------------------------

Brief overview of your actions for this month....

Meal deal next Friday.

Old chest freezer is being stored in tuckshop at moment. It is not being used as the seals are not very good but it could be handy to use for fete/circus type requirements like chilling drinks, storing ice, etc. As it is no longer fully functional, it has been written off on school records. Maybe P&C storage shed would make it more accessible for this type of use (& because I live in hope of tuckshop renovations sometime!)

Current profit / loss against Budget:

Plans of any new tasks / actions for the next month?

Have 2 Apple Slinky machines left. Hope to sell over counter at Friday "treat time"

Details of any opportunities that you believe exist for your sub-committee or the P&C in general.
